The Land

The sloping hills and surrounding lush greens make this area the most scenic

residential property available. The stability of the housing market in this region of Minnesota has encouraged not only retirees, but even couples and young families to seek the ease of Townhome living. New homes will shine on lots with a view of the #7 tee box and overview of holes #3, #13, & #16 beyond your backyard. With city sewer and natural gas, it's like city in the country! Build it now at

The Homes

Know with confidence that your home will be built by experienced local contractors—people supporting families within our own communities—to make your home the culmination of thoughtful consideration and careful coordination while keeping the project within the budget limits set. Choose from standard and luxury options including: sunrooms, patios/decks, fireplaces, floor heating, vaulted ceilings, bay windows, extra closets, maintenance room or fully finished basements, 2 and 3 stall heated garages. All homes are built handicap accessible—no steps and wide doors. Allowances are reasonable for custom selections. Choose your layout, flooring, cabinetry and colors—make it your own from start to finish. Call us with questions or ideas every step of the way!

The Association

An Owner's Association will provide governing of group lawn care and snow removal. Plat Covenants are on file with the county recorder.
